

# Genesis: Planning a Lesson

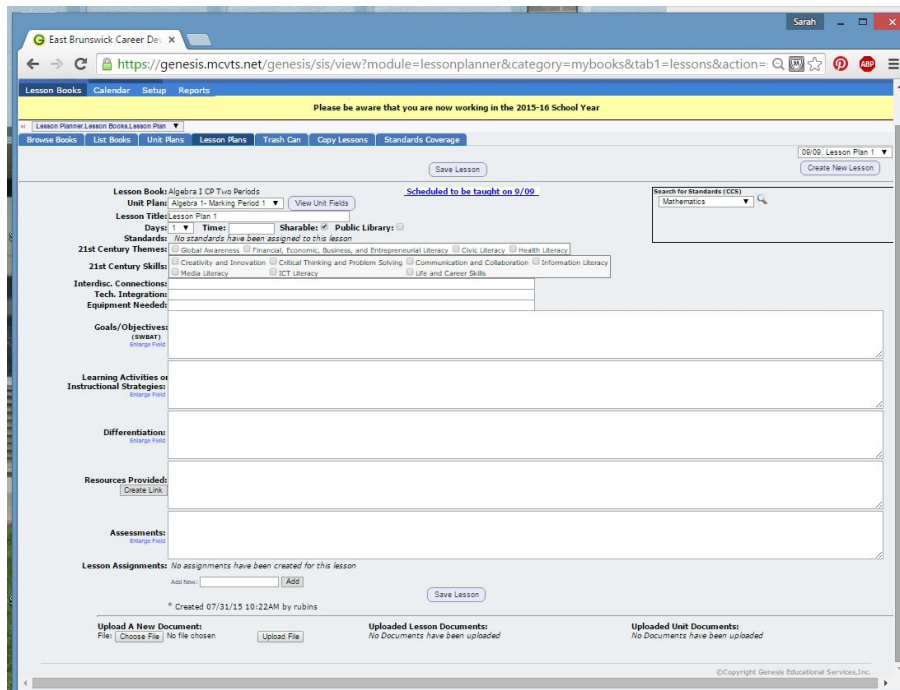

## Creating a Lesson Plan

Go to the [Lesson Planner](#) → [Calendar](#) screen.

1. Click **Create** and either select a unit that you have already created or create a new unit.
2. In the next screen, enter the details for the lesson. Be sure to create a **Lesson Title**. This will make it easier to find and view lessons later.

This is what the calendar screen looks like before anything has been created.
